Please state why you are seeking to run for this office:

Fundraising is an important part of the work done by the Nevada State Democratic Party. I am seeking re-election as Treasurer because this position requires an understanding of political finance record keeping and reporting, something I have decades of experience doing. I am well-versed with the legal and reporting requirements of the Federal Election Commission and the Nevada Secretary of State, and I am a stickler for accuracy. It is the job of your treasurer to maintain accurate and complete financial records as required by law at all times, and I am well-suited for the position because of my experience and my passion for serving the party.

Please state any experience that you would like to share that prepares you for this position (please feel free to attach a bio):

I have held bookkeeping positions for most of my professional career and take pride in the accuracy of my work. In addition to being your treasurer I am also the current bookkeeper for the Nevada Senate Democratic Caucus and the Nevada Assembly Democratic Caucus, and prepare all of their financial reports. Prior to that I worked for Congresswoman Shelley Berkley for fourteen years. While the reporting is my professional background, it is my deep and abiding appreciation for the Democratic Party and its values that drive me to serve in this role.

I affirm that as of this date, I am an active registered Democrat in the state of Nevada having voted in the last election.
