**Please state why you are seeking to run for this office:**

I am dedicated to the Democratic Party's mission of electing Democrats to office. I believe that the background I have in accounting and reporting financial information for non-profit organizations will be of value to the party.

**Please state any experience that you would like to share that prepares you for this position (please feel free to attach a bio):**

I have 40 years of experience as an accountant. I began my career as an auditor for the Legislative Counsel Bureau. I then moved to the State Controller's Office, eventually becoming Chief Accountant in charge of producing the State's Annual Financial Report. Under my direction, we received a national award for excellence in financial reporting. I left the State in the mid 90's and went to work for a local CPA in Carson City. After a few years I formed a partnership with some co-workers. The focus of my public practice was non-profit organizations. The partnership dissolved in 2011 when my partners decided to retire. Since then, I have been in business as a sole practitioner. In my public accounting business, I have helped numerous clients with their accounting and financial reporting issues. I have helped them produce financial presentations for various purposes providing clarity and essential information.

I affirm that as of this date, I am an active registered Democrat in the state of Nevada having voted in the last election.
