**Please state why you are seeking to run for this office:**

As a long-time State Central Committee member, I am excited about the opportunity and the possibilities of what we can accomplish to move the party forward. My vision for this office comes in three parts: expanding perspectives through the Diversity Community to increase engagement; enhancing growth by ensuring NV Dems is a safe place for an ever-increasing group of disaffected Republicans to find a new home; and energizing people through my skills in organization and inspiration.

**Please state any experience that you would like to share that prepares you for this position (please feel free to attach a bio):**

While you may know me from the State Central Committee, here are a few things you might not know. I bring exceptional skills and perspectives to this race. First, I own two successful companies: a marketing communications firm and an adult experiential learning company. I've worked with top brands, have been honored as one of the Top 40 Business People Under 40 in Las Vegas, and co-wrote the diversity production show "Inspiring Our World" for MGM Resorts.

Next, I'm committed to our community. I'm currently a volunteer trainer for the Yellow Pants Project, a non-profit that teaches leadership skills to high school students. I'm also a member of the NV Dems RACE Committee (you may have taken my communications class), a member of the Clark County Central Committee, the Red Rock Democrats, and the State Central Committee. I'm also a member of the ACLU, DNC, HRC, NAACP, and Planned Parenthood. Recently I was thrilled to deliver what critics everywhere called "a revelatory walk-on performance" as that Greek guy who somehow has a Russian accent in the Carson City Dem's production of "My Big Fat Greek Murder." Hello, Tony Awards!

I've been a Nevada resident since 1992. Today, my husband Josh and I live in our cat Nico's house in northwest Las Vegas, and I can quote any line from Jaws and the Godfather on demand. I also do a mean Time Warp.

This is an exciting time for NV Dems. Recently, two presidential candidates visited our state – in the same week! We have a rare opportunity to move our party and our State forward with strong Democratic values, thanks to the hard work we put in last Fall. Now I am more hopeful than ever before that working together, we can turn and keep our state a deeper shade of blue.

I want to help play a role in moving our party and our State forward, and that's why I'm running for 2nd Vice Chair, and that's why I'm asking for your support.

**I affirm that as of this date, I am an active registered Democrat in the state of Nevada having voted in the last election.**

x Paul Speirs Hernandez
