

How to Early Vote

1. You arrive at any early vote location in your county!

2. You check-in and cast your presidential preference! You can register to vote or update your registration at your early vote site! You will make multiple preference options in case your first choice isn't viable on Caucus Day.

3. Your vote is securely stored, and will be counted with your precinct on Caucus Day!

4. Using a secure tabulation system, your vote will be counted with your precinct on Caucus Day to determine viability and award delegates!
