Nevada State Central Committee Members,

I wanted to take this opportunity to briefly introduce myself to you and expand upon why I wish to have your vote for the Nevada State Democratic Party Executive Board:

Since relocating to Las Vegas over four plus years ago, I have lived in the Summerlin (Sahara/215) and currently in Southern Highlands (Southern Highlands Pkwy/I-15) area of Commission District F in the metro Las Vegas area. Originally from Detroit Michigan, I have lived and worked in numerous locations across the United States, prior to calling Nevada home.

Since coming to Las Vegas in 2015, my public/professional community leadership service here in Nevada includes:

- Chairman, City of Las Vegas Audit Oversight Committee
- Chairman, Las Vegas Metropolitan Police Department Citizen Review Board
- President, Las Vegas Chapter of the Association of Certified Fraud Examiners
- Vice President, Nevada Chapter of the International Association of Financial Crime Investigators
- Executive Board Member / Commission District F Rep., Clark County Democratic Party
- Executive Board Member, Red Rock Democratic Club

My professional career has focused around cyber security & investigations, cyber threat intelligence, financial crime investigations, Medicare/Healthcare fraud, waist, and abuse, retail organized crime, corporate security & investigations, fraud investigations, and general law enforcement. I have a Master of Science degree in Criminal Justice Administration along with numerous professional certifications related to my career field. I have included a current resume along with my Declaration of Candidacy for your review. Since the age of 15 when I first became a Sheriff's Explorer to now (age 42), I have dedicated myself to protecting the communities in which I live, work, and enjoy life every day.

For the 2020 election and going forward, we need to ensure that all citizens are educated and informed on facts. We need to understand the risks and educate ourselves from misinformation/fake news generated by others wishing to misguide the public as well as from new technologies many do not fully understand. We must understand the risk to our society to include our elections posed by "Cyber Threats" and how they may impact not only in the election but in other areas of our lives. My goal with running for this position is to do my best to ensure we have an informed population within State of Nevada and that with information, our energetic Democratic community base, with a passionate get out the vote mentality, will inspire new Democratic Party members to join them expanding on the success Democrats have had in Nevada over the last two years.

Over the years, I have come to support the Democratic Party and the values/platform it represents. Some of the major issues to me include:

- Protecting Individual Rights (Woman, LGBTQ, & Everyone)
- Healthcare
- Retirement – Social Security
- Criminal Justice Reform

For those NV Dem Central Committee Members that wish to inquire further, please feel free to reach out and I will do my best to answer your questions.

**I look forward to the opportunity to earn your vote.**

Respectfully,

Joe Throneberry
