

As a reminder, per the Delegate Selection Plan, each presidential candidate, or that candidate's authorized representative(s), must then file a list of all such candidates they have approved, provided that, at a minimum, one name remain(s) for every national convention delegate or alternate position to which the presidential candidate is entitled for PLEO and At-Large Delegates. This means that it is possible that each At-Large/PLEO position may only have 1 candidate listed per spot available, based on the discretion of each candidate's campaign.

Additionally, if an individual wins a district level delegate position, they will be removed from consideration for PLEO and At-Large Delegate positions.
