Please state why you are seeking to run for this office:

Seeing a cross burning in my family's front yard when I was just six years old left an indelible mark on me and shaped my lifelong commitment to making Good Trouble. I feel I can best support the Democratic Party by using my professional experience in diversity training to help change the racial paradigm within the party. I have a strong work ethic and come to this position with both the experience and the specific skill sets necessary to get the job done and show visible results.

Nevadans deserve proper representation of the entire community. I will champion the needs and values of all by ensuring we create an inclusive and diverse environment that encourages diverse participation. Not only am I exceptionally qualified for the job, I am also excited and motivated by my belief that the Nevada State Democratic Party and the people it represents will meet the challenge of change together, and collectively unite to elect Democratic candidates up and down the ticket. Together we can get this done.

Please state any experience that you would like to share that prepares you for this position (please feel free to attach a bio):

Since 2018 I have been an active member of both the state and Clark County central committees. I am an active member/instructor of the NV Dems Resource and Community Engagement (RACE) Committee, was a member of both the state and county Platform Committees in 2018, and most recently served on the 2020 Convention Credentials Committee.

I am also a small business owner. I hold a BA in Business and an MBA in Program Management, and have been recognized by both the corporate and community sectors at both the international and local levels with countless awards and leadership accommodations.

I am an active member of numerous Democratic clubs and community organizations. I was a frequent volunteer in the NV Dems office preparing for the 2020 caucus and a precinct chair at Mojave High School. I am currently volunteering for several of our 2020 Democratic candidates.

At the community level I am a member of the Community Development Advisory Council after being appointed by Clark County Commissioners. I am also a member of the International NAACP, Nevada Federation of Democratic Women, National Action Network, and Women on Board.

I am also a volunteer for the IRS's Volunteer Income Tax Assistance (VITA) program (which provides free tax preparation to those who make \$56,000 or less, are disabled, or have language barriers), the Las Vegas Eastside Community Pantry, Opportunity Village, and the Cosmopolitan Monthly Food Give Away.

With my professional and volunteer background, I believe I have the presence and the understanding of all stakeholders to do this position justice. I look forward to the opportunity of serving you, my Democratic family, as your Second Vice-Chair in 2020.
