## Howard Beckerman

Candidate for Treasurer

Greetings Central Committee Members,

Over the years of my experience serving on the NV Dems State Central Committee, I have attended numerous meetings where a detailed accounting of how money is raised and how money is spent is not shared with members of the SCC.

I am not implying in any way that finances were manipulated. Rather, necessary details have not been disclosed.

I believe that members of the SCC deserve RESPECT, ACCOUNTABILITY, and TRANSPARENCY. Because the SCC is asked to approve the Treasurer's report, the members should know exactly what is going on. Several times I have asked questions about the Treasurer's report and have not received satisfactory answers. I plan to be prepared to answer all the questions that are posed to me and to give a full and detailed accounting of income and expenses so that the members of the SCC can make an informed and intelligent decision as to how the finances of the organization should be distributed.

My personal background makes me the obvious choice among the candidates for this position. I have an M.B.A in Finance and Economics from a prestigious public business college, as well as enough credits to sit for the C.P.A. exam. I have spent most of my professional career in finance including owning my own residential real estate office and working in the mortgage loan field where I sat on the California Association of Mortgage Brokers Board.

Since moving to Las Vegas I have been a member of the Red Rock Democratic Club. As Vice-President and Board member of the club I have been a major part of the Red Rock Dems increase in membership and fundraising. I am proud that the club increased its fundraising every year that I have played a major role in that effort. Last year Red Rock Dems donated over \$20,000 to various candidates while I was fundraising chair.

This past year my family has moved to Carson City. The good people of the Carson City Democratic Club have "instantly" made me 2<sup>nd</sup> V.P. in charge of fundraising and I have already helped them raise over \$1,000 with an idea that can help all the clubs. More on that in my next statement.

In Solidarity,  
Howard Beckerman
