

Please state why you are seeking to run for this office:

As a registered Democrat in Nevada since the age of 18, I am running to serve as the NV Dems Vice Chair because I want to continue our Party's recent success while bringing new ideas, diverse voices, and younger representation into leadership. Our executive board will need an organizer's mentality and fresh ideas for outreach if we are to successfully navigate the coming midterm elections and beyond. I will bring these qualities to the table along with a relentless work ethic. In short, I am dedicated to ensuring we elect Democrats here in the Silver State for many years to come.

Please state any experience that you would like to share that prepares you for this position (please feel free to attach a bio):

Having spent my entire life in Nevada, I've worked as a political organizer, interned for U.S. Senator Cortez Masto, and even coached varsity football. I am the product of Nevada public schools and hold degrees from the University of Nevada. In 2020, I served on Sen. Bernie Sanders' Nevada political team, which allowed me to bring countless new people into our Party. Yet, the experience that defines my goal to serve as your Vice Chair comes from my years leading TMCC's testing center; there, I expanded GED access to incarcerated folks and worked to increase passage rates for second language English speakers. As Vice Chair, I will similarly seek to reach all Nevadans regardless of social or geographic barriers.
