Re: Mail Ballot Return Envelope Missing or Discrepant Signature

Dear Voter,

We have received your voted ballot for the November 5, 2024 General Election. Nevada Election Law requires us to compare the signature on your return envelope with the signatures in your voter registration record in order to verify your identity. Unfortunately, either your return envelope did not have a signature, or we were unable to verify your signature with those on file.

In order for your ballot to count, you must complete, sign, and return the enclosed form by 5:00 pm, November 12, 2024. Please note that you will also be required to return a photocopy of your identification.

If you indicate that you have not voted a ballot, or if you fail to return the enclosed form, we will not count this ballot. If your ballot contained a signature that was not verifiable, and you do not affirm on the enclosed form that you voted a ballot, we may turn over this discrepancy to law enforcement for investigation.
If you have questions, please contact our office at 775-635-5738.

Thank you for your assistance.
Sincerely,
