Re: Missing Mail Ballot Signature or Signature Mismatch

Dear Voter,

We have received your voted ballot for the November 5, 2024, General Election. Nevada election law requires us to compare the signature on your ballot return envelope with the signatures in your voter registration record to verify your identity. Unfortunately, either your ballot return envelope did not have a signature, or we were unable to verify your signature with those on file.

In order for your ballot to count, you must complete, sign, and return the attached Signature Cure Affidavit OR cure your signature using one of the other options below, by 5:00 p.m., November 12, 2024. Please note that you will also be required to return a photocopy of your identification OR answer all the challenge questions in Step 5 of the attached Signature Cure Affidavit.

If you indicate that you have not voted a ballot, or if you fail to return the attached affidavit or cure your signature using the options provided below, your ballot will not be counted.
