Dear «first_name»:

We have received your mail in ballot for the [20XX SPECIFIC] Election. Nevada Election Law requires us to compare the signature on your return envelope with the signature(s) in your voter registration record to verify your identity. Unfortunately, either your return envelope did not have a signature, or we were unable to verify your signature with that on file. Therefore, your ballot is now in a challenged status which means that it cannot be processed to be counted. For us to process your ballot you must use one of the options listed below to "cure" your ballot and verify that you sent the received ballot to our office.

For your ballot to be counted you must contact us using one of the methods listed below no later than 5:00 pm, on [DBValue].

Option 1: Complete Affidavit and Provide ID 1. Complete and sign the affidavit form on the back of this letter. 2. Follow the instructions on the form to **provide a copy of your ID**. 3. Return these documents to the Washoe County Registrar of Voters office in-person, email, fax or mail.	Option 2: Answer Challenge Affidavit 1.
